

PT Surya Esa Perkasa Tbk.

## INFORMATION DISCLOSURE

In connection with our previous notification dated November 29, 2021, where we have informed the Continuation of the First Turnaround Maintenance of the Banggai Ammonia Plant (BAP), we hereby inform that the Turnaround Maintenance for the BAP has been completed and carried out properly, effectively and efficiently as possible.

Replacement and corrective maintenance of equipment and catalysts have been completed and the Plant has resumed operations as of December 6, 2021. This has an operational impact on PAU where Plant production is running optimally and the Company continues the safety protocols related to Covid-19 and Work Safety.

The completion of this Turnaround Maintenance has no impact on the legal aspects, financial condition or business continuity of the Company.
